# Travel Instructions

**Leeds has excellent public transport, cycling and walking facilities and the university's traffic management strategy means there is limited parking at our campuses – we highly recommend that unless you have extenuating circumstances you leave your car at home.**

If you have to travel by car the person you are visiting must book you a visitor's space.

There is a Leeds City Bus which will pick you up outside Leeds Train station for a flat fare of 50p and drop you off outside our City Campus. For further information or for other alternatives, please visit <http://www.leedsmet.ac.uk/about/how-to-get-to-leeds-metropolitan-university.htm> or the journey planner on Metro's website [www.wymetro.com](http://www.wymetro.com)

## Approaches to the City Centre

Leeds is well served by motorway, with links from the M1 and M62.

From the north: A1-A58.

From the east: M62 to J29, then M621 to J3.

From the south/south-east: M1 to J43, then M621 to J3.

From the south-west: M62 to J27, then M621 to J3.

From the west: A65 via Kirkstall.

From the north-west: A660 via Headingley.

## Routes Around the City

### Inner Ring Road

This road is designed to route traffic away from the centre of Leeds. The main stretch runs in a semi-circle from west (A58(M)) to east (A64(M)). In the west, it connects with the M621 J2 via the Armley Gyratory and A643; in the east, it connects with M621 J4 via the A61.

## City Centre Loop

The City Centre Loop allows traffic to flow clockwise around the City Centre, without having to enter it. There are 18 junctions: Junction 1, City Square, is the one that motorway traffic from the south will feed into.

## Routes to the University

### City Campus

From the M621 follow Meadow Rd, Victoria Rd and Neville St to City Square. This is City Centre Loop junction 1. Continue until junction 4 (Civic Hall). Keep left and the City Campus buildings will be 400 yards along on the right (beyond the Civic Hall).

### Headingley Campus

From Motorways, start as above. As you reach the Civic Hall, and before you come to the Calverley Street buildings, turn right onto Portland Way. At the top of Portland Way, turn left onto the A660. Continue on the A660 for about 4 miles. Headingley Campus is signposted to your left.

Visitors should use the Churchwood Entrance. From the City Centre – go past the BP garage on the A660 (Otley Road) and turn left after the pedestrian crossing. From the ring road (A6210) – go past the Village Hotel, through the traffic lights and turn right before the pedestrian crossing.

Appeals have to be made in writing to ensure a full audit trail exists for each case. You will need the VRM and CPN reference numbers to appeal.

You can appeal online and make payments at [www.carparkingpartnership.co.uk](http://www.carparkingpartnership.co.uk). Operatives are available to speak to on 01604 625613 between 09.00-1700 Mon-Fri.
