

**HPSN Europe Programme  
Saturday, November 14**

Time	Auditorium	Workshop Room 1	Workshop Room 2	Workshop Room 3	University Hospital Mainz	
9:00 AM - 9:15 AM	Welcome from the Organizers				Emergency Room Training Course. Carsten Lott, Mainz	
9:15 AM - 9:45 AM	Welcome Address: Lou Oberndorf, METI					
9:45 AM - 10:30 AM	Keynote Address: Parwis Fotuhi, Helios, Training Concepts of a Large Hospital Group					
10:30 AM - 10:50 AM	<b>BREAK</b>					Teamwork im Schockraum (German spoken)
10:50 AM - 11:15 AM	Lecture: German Curriculum Development. Georg Breuer, Erlangen (TBC)	Application of the HPS physiologic model to biomedical science teaching (English spoken). By: Rich Helyer, Bristol	A new user interface for simulation: Müse (English spoken). By: Jamie Stuart, Oxford	Schnupperkurs Simulation (German spoken). Moderation: Christian Grass, Rotterdam		
11:15 AM - 11:40 AM	Lecture: Ambulance Simulation. Arnd Rose, Berlin					
11:40 AM - 12:05 PM	Lecture: Setting up the Giessen Simulation Centre. Alin Schaumberg, Giessen	METI Learning Space (English spoken). By: Stefan Mönk, Mainz	Mobile Simulation im Rettungsdienst (German spoken). Moderation: Arnd Rose, Berlin	Taster course in simulation (English spoken). By: Christian Grass, Rotterdam		
12:05 PM - 12:25 PM	Lecture: Anaesthetic Nurse Education in Leiden A different way? Michael Schuling, Leiden					
12:25 PM - 13:25 PM	<b>BREAK</b>					
13:25 PM - 13:50 PM	Lecture: Report from the Emergency Room Training Course. Carsten Lott, Mainz	Enhancing possibilities of the METI simulator: PICCO (English spoken). By: Wolfgang Heinrichs, Mainz	METIman - a new affordable simulator (English spoken). By: Ian Ballard, Glasgow	Diskussionsrunde: Visionen für Skillslabs in der Medizin (German spoken) Moderation: Georg Breuer, Erlangen (TBC)		
13:50 PM - 14:15 PM	Lecture: Simulation Training for Security Forces. Karolina Makowska, Poland					
14:15 PM - 14:40 PM	Lecture: Oxygen Binding Curve. Christian Grass, Rotterdam	Visions for patient simulation. A discussion round (English spoken). By: Stefan Mönk, Mainz	Debriefing (English spoken). By: Amanda Wilford, Bristol	Roundtable: Human Factors in der Notfallmedizin (German spoken) Moderation: Alin Schaumberg, Giessen		
14:40 PM - 15:00 PM	Lecture: Update on the METI Drug Library. Wolfgang Heinrichs, Mainz					
15:00 PM - 15:20 PM	<b>BREAK</b>					
15:20 PM - 15:45 PM	Lecture: European TTT Activities. Jochen Vollmer, Mainz	Mobile simulation in prehospital care (English spoken). By: Arnd Rose, Berlin	Refresher programming HPS6 (English spoken). By: Stefan Puderbach, Mainz	Anwendertreffen DGAI Simulationsprojekt (German spoken) Moderation: Stefan Mönk, Mainz		
15:45 PM - 16:05 PM	PACT: Simulation Training in Intensive Care. Martin Grapengeter, Groningen					
16:05 PM - 16:30 PM	Closing
